Meyer Fountain Rededication and Opening

The Meyer Circle Seahorse Fountain is officially back in action. 6th District Councilmen Kevin McManus and Scott Taylor were both present for the October 25 rededication ceremony.

6th District PIAC funds were used to leverage private donations needed to complete the project. Private funds will be used for ongoing maintenance and upkeep of the fountain. This project was a great example of a public-private partnership.

Thanks to all the community stakeholders that helped get this project completed. This project would not have been a success without the support of numerous local residents and civic leaders, surrounding neighborhood groups, the City of Fountains Foundation, our Parks Department, and 6th District PIAC

representatives, John Sharp and Stacey Johnson-Cosby.
